FROM THE GENERAL MANAGER

A big weekend *ahead*

Dear Members,

The Shipwreck Coast Golf Classic is here. We play at Port Fairy on Saturday and at Warrnambool on Sunday, and Stuart and his team have been busy with the finer details to have the course ready. I wish all our players a wonderful weekend of golf.

I would also like to highlight our amazing team. Bek Lange, our Hospitality Manager, along with Matt, Dave, Emily and the entire team, are here to ensure that you have an awesome experience at the Club. Please say hello when you next call in.

We are still looking for a Part-Time Office Admin Assistant. If that might be you, or someone you know, you will find the details in the Club Diary.

Finally, a small request. A few of our neighbours have recently had property damaged by golf balls. A wayward shot can happen to any of us, so if your ball does leave the course, a friendly word with the resident means a great deal. Thank you for helping us to be good neighbours.

SHIPWRECK BEND · HOLES 4, 5 & 6

FROM STUART & THE TEAM

The finer *details*

This week, our team focused heavily on the finer details in preparation for the upcoming Shipwreck Coast Golf Classic.

A significant amount of time has gone into extensive edging and whipper-snipper work across the course. To ensure optimal playing conditions, we also applied a growth regulator to the greens, tightening up the leaf surface for a cleaner, smoother roll.
